

From the President

Dear Members,

First let me thank Esther Powers, Chair of our Speaker Committee and her committee members who arranged for us to hear from State Representative Mark Jacobs at our May luncheon. Representative Jacobs informed us about the 2010 Legislative Developments Concerning Civil Claims and Civil Practice. If you were one of the many who attended this luncheon, you can attest to how useful this information was to all of us in the insurance industry.

For our June 3rd luncheon, the Speaker Committee has prepared a panel discussion of the candidates for the Georgia Insurance Commissioner. This is the first time that the ACA has put on an event of this nature and we want our members to know that we are not in support of any candidate. We felt however that we wanted to provide our members the opportunity to hear from the candidates that could potentially impact our industry, not only for the next four years but for several years to come. We hope that you come out and hear from the candidates in preparation for the primary elections that will be held on July 10th.

Special thanks to Robin Weidman and her committee for their continued success in putting together not only great lunches but great venues. The steady reminders about the luncheon coupled with the ability to pay by PayPal and having great speakers all work together in concert that results in our luncheon attendance increasing.

We continue to receive responses from those who participated in our 88th Annual Convention in April. You will find some of those responses inside this edition. We want to hear from all of you. So whether you were an exhibitor, a hospitality suite host, one of many who attended the Mock Trial or the Thursday evening networking event, the Convention Chair Rodean Wilson and I welcome your comments. Your comments can be sent to us at our website, www.atlantaclaims.com.

It is not too late for you to sign up for our annual Golf and Tennis Outing that will be held on June 15th at Rivermont Golf and Country Club. Scott Busby and his committee are working feverishly putting on the final touches for this event; so please plan on attending. You can refer to this publication for additional information about the event.

Can you believe that summer is almost here; where did the time go? If you are an adjuster who needs CE credits, have you checked to see how many credits you need for your renewal? If you are in need of credits did you know that in addition to our educational seminars and luncheons, that we also provide Education on Demand for both Workers' Compensation and General Liability? The Education on Demand program can be brought to your office free of charge, to give you and your fellow adjusters the additional hours needed, to include the required 3 hours of Ethics. If interested, you can contact Greg Presmanes through the Atlanta Claims Association website, www.atlantaclaims.com, for more information on the courses, instructors and to coordinate the training.

Finally, June will be our last luncheon before our summer recess. However, the Executive Board will continue to work during the summer planning for the balance of the year. Please visit our website for informational updates during the break. I look forward in seeing you at our September 2nd luncheon. Have a great and enjoyable summer!

With appreciation,

Kerri G. Crosby
