## Roberta S. Mike

Dear Fellow ACA Members,

**March is Women's History Month.** The 2022 Women's History theme, "Providing Healing, Promoting Hope," is both a tribute to the ceaseless work of caregivers and frontline workers during this ongoing pandemic and a recognition of the thousands of ways that women of all cultures have provided both healing and hope throughout history. The National Women's History Alliance is hosting a Webinar on Saturday, March 26, 2022, at 2:00 PM. You can find more information at: <https://nationalwomenshistoryalliance.org/webinar>. Women's History Month is a time to reflect on the work that still needs to be done, but it's also a time to celebrate the inroads that have been made.

**Please save the date April 11th -14<sup>th</sup> to celebrate our Georgia Insurance Claim Professionals!** Employers, vendors, and fellow claim professionals let's all take time to recognize our hard working and dedicated Georgia Insurance Claim Professionals! ### Work

**Company:** Constangy, Brooks, Smith & Prophete, LL

**Title:** Attorney/Partner

I have practiced law in Georgia since 2004. In 2008, my family and I moved to Macon, where I joined Constangy. As part of a top 10 labor and employment law firm in the U.S. my work focuses on representing employers and insurance carriers in all aspects of workers' compensation, particularly in Middle and South Georgia. I also defend employers against EEOC discrimination charges, unemployment matters and wage and hour claims.

### Home Life

**Marital Status:** I have been married to my wonderful wife for 16 years.

**Children:** I have 2 children who are my world. My son is 12 and plays football and baseball; my daughter is 7 and is very into gymnastics.

**Hobbies:** I enjoy spending time with my family, and together we enjoy boating and going to Athens to watch the Bulldogs play. I also enjoy hunting with my son and watching him play baseball.

**Passion/Volunteer work:** I serve as a foundation trustee for Central Georgia Technical College. I also serve as a board member for the Georgia Defense Lawyers Association. I am also active in our local church, serving on its administrative council and as an usher.

### Education

I graduated from the University of Georgia in 2001 with a degree in Political Science. I attended law school at Stetson University. I am licensed to practice law in the State of Georgia, and I have been admitted to all Courts in Georgia as well as the U.S. District Court for the Middle District of Georgia.

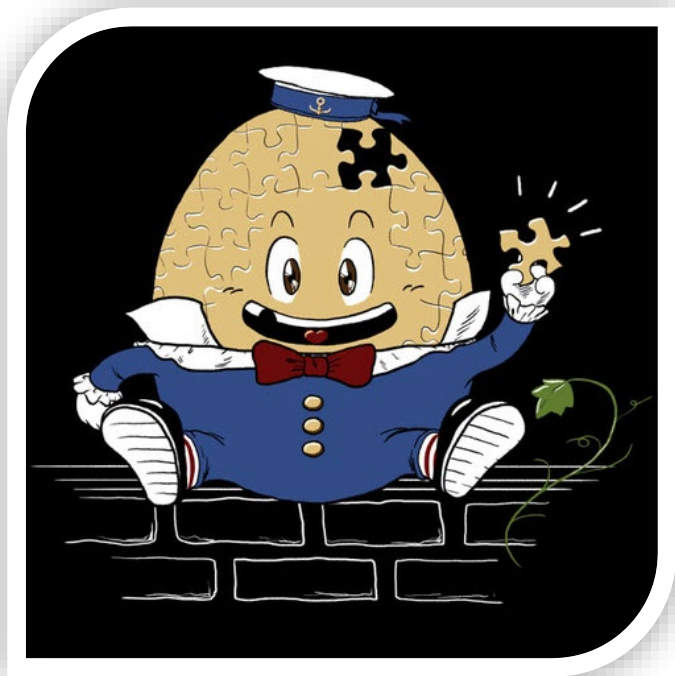

### What would you like to share with ACA Members?

I love what I do. I love working with claims adjusters and HR professionals. I pride myself on being easy to reach and accessible to my clients – because some questions can't wait. And since workers' compensation claims increasingly overlap with other HR issues, I love that I work at a firm with deep capabilities in all areas of workplace law and a team that can work across the country to help my clients wherever they operate.

### If you could have lunch with a famous person, who would it be and why?

I often eat lunch at my desk, so lunch with anyone would be an improvement on most days. However, lunch with Will Farrell would be particularly fun. I love his movies, and I think he is a genuinely funny person. So, I'd choose him because lunch with laughter sounds great to me!

## About Women's History Month

Women's History Month had its origins as a national celebration in 1981 when Congress passed Pub. L. 97-28 which authorized and requested the President to proclaim the week beginning March 7, 1982, as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." In 1987 after being petitioned by the National Women's History Project, Congress passed Pub. L. 100-9 which designated the month of March 1987 as "Women's History Month." Between 1988 and 1994, Congress passed additional resolutions requesting and authorizing the President to proclaim March of each year as Women's History Month. Since 1995, presidents have issued a series of annual proclamations designating the month of March as "Women's History Month." These proclamations **celebrate the contributions women have made to the United States and recognize the specific achievements women have made over the course of American history in a variety of fields.**
